Preparing for your sitting

- Glasses typically will reflect our studio lights. We do everything possible to correct for reflections but sometimes it is impossible....you may want to ask your optician if you could borrow a set of frames without lenses for your portrait.
- Please shave the day of your portrait as this cannot be touched up.
- School dress codes for your yearbook poses: **OPTION#1** A solid colored collared shirt and tie. We also suggest a dark jacket but it is optional for the yearbook. **OPTION# 2** A solid colored long sleeved semi-formal/formal top. We suggest darker colors like black or dark blue.
- Hair should be worn the way you normally wear it. Make sure it does not cover your eyes. Please do not change your hairstyle right before your session. This could lead to disappointment.
- **ALL Session Fees** must be paid for online when you schedule your session. No changes or modifications to your scheduled sessions are allowed on the day of your appointment.
- We cannot accept any payments at the camera.
